

# Thorverton Community Land Trust

## Report of Board Meeting held 12 Dec 2025

**Present:** Andrew Foster, Andrew Saunders, Andrew Wiles

### **1. Proposal for a community-run village shop**

TCLT Directors are aware of early-days proposals to establish a community-run shop for the village.

Some villagers involved in this project have approached TCLT to ask whether a shop could be established under the umbrella of Thorverton Community Land Trust, rather than having to be an entirely new & freestanding organisation.

TCLT Board agreed both to welcome this proposal for a shop and to be open to exploring further whether this could be done as part of Thorverton Community Land Trust.
